

2010/2011 Donor Acknowledgement

Recognizing gifts received between July 1, 2010 and June 30, 2011

Franklin Community Health Network and our affiliates are not-for-profit organizations owned and operated by the community we serve. All are committed to a mission of service excellence and it has been the charitable gifts of our friends and neighbors that have sustained our work and our vision.

Supporters of Franklin Community Health Network participated in a wide range of events this past year:

- Proceeds from the Sugarloaf Charity Summit, in conjunction with the Maine Cancer Foundation, raised more than \$48,000 for the Martha B. Webber Breast Care Center;
- The 5th annual Champions for Healthcare Basketball Tournament raised money for Franklin Health Child & Adolescent Developmental Pediatrics;
- The 2nd annual Harvest Dance, hosted by the Auxiliary took place in September, along with multiple other fund raising events; and
- The 23rd annual Healthcare Golf Classic at Sugarloaf raised more than \$34,900.

When you support Franklin Community Health Network your gift stays here, to help serve the people of Western Maine. Last year gifts helped to provide:

- Medical care for those not covered by insurance;
- Care for cancer patients;
- Continued support for Franklin Health Child & Adolescent Developmental Pediatrics, which treats children with developmental disabilities;
- Crisis intervention and mental health services;
- State-of-the-art equipment for the Martha B. Webber Breast Care Center; and
- Support for programs and services provided by Healthy Community Coalition.

How You Can Help

There are many ways to make a gift that will support our community health care network.

Volunteer your Time

Join the nearly 250 volunteers staffing the information desk, working on the parking assistance team, or using their computer skills at Franklin Community Health Network.

Become a Member of the Franklin Memorial Hospital Auxiliary

The Auxiliary is a vital contributor to the hospital through the proceeds from the gift shop and fund-raising activities. The Auxiliary always welcomes new members.

Create a Lasting Legacy

Ensure that high quality health care remains available in this rural Maine community for generations to come by naming Franklin Community Health Network in your will, trust or estate plans. You may choose to contribute through a gift from your estate in a way that will best meet all of your estate goals and objectives. Through our complimentary estate planning service, this can be done in a way that will provide income for your heirs, avoid taxes, and give a substantial gift to charity or other organizations that you support.

Honor and Memorial Tributes

Gifts made to honor or memorialize a loved one are gratefully accepted and acknowledged to the individual or family. The amount of your gift is confidential and may be

directed to any area of patient care or to any community program offered by FCHN.

Contribute to the Annual Fund

You may choose to contribute immediately by writing a check or using your credit card. You may also donate online at www.fchn.org/donate. These gifts will be put to work right away helping those served by Franklin Community Health Network. When you itemize your taxes your gifts are fully deductible.

Gifts of Appreciated Securities

When you give a gift of stock to the Franklin Community Health Network Foundation you don't pay the capital gains tax, and neither do we. When you itemize your deductions, you are also entitled to receive a charitable deduction for the fair market value of the stock at the time that you gave it.

Recognizing Your Gift

Through the generosity of our donors, Franklin Community Health Network is able to offer exceptional health care services to our community. In appreciation of these gifts, we are pleased to offer recognition opportunities. Donors of \$500 or more are recognized each year on a plaque located in the Main Lobby of the Hospital. Gifts of \$5 and more are posted on our Web site www.fchn.org.

For more information on any of the strategies described here, please call or write:

Above: Gifts from the Auxiliary have allowed for the expansion of the Healing Garden, which is located between the hospital and the Franklin Health Medical Arts Center. The garden flowers sit quietly among the stately pines offering a serene setting for visitors, patients, and staff. A variety of vibrant perennials provide flowers in bloom throughout the season.
